Want to fill the seats with roaring crowds? Then look to AnswerNet for your Telesales Sports Package needs. AnswerNet provides telemarketing, telesales and subscription management services for a wide variety of sports activities and events.

AnswerNet's outbound telephone sales agents are trained to speak enthusiastically, accurately and positively about the activity they are promoting. They specialize in sporting event promotions, and have a unique understanding of the local fan base. Our agents understand the seasonality of sports marketing and approach every call with a sense of urgency.

With multiple call centers throughout the United States and Canada, AnswerNet can provide you with ticket sales coverage anywhere, any time. So, if you are looking to increase your ticket sales for any national pastime, choose AnswerNet.
