

RETENTION SERVICES

Helping your students persevere and press on.

Sometimes your students need extra help staying focused or motivated. Others may be falling behind academically and need assistance with finding campus tutors or your other student support services.

Utilizing strategically timed touchpoints and activity/performance-based markers, our specialists are trained to handle all of these scenarios. They are knowledgeable, compassionate, and will work tirelessly to keep your students engaged, encouraged, and inspired to keep going.

Other services to help your students keep going...

Student reengagements

Our experience in reaching out to at-risk students and guiding them back through the reenrollment process will help put them back on the path toward graduation.

Tutoring referrals

For students who are struggling and need extra academic support, our specialists can make referrals to tutoring centers for them on your behalf.

Performance alerts

At pre-determined and carefully timed intervals, our dedicated retention specialists will reach out to your underperforming students with mid-course adjustment suggestions and other useful advice.

Absentee follow-up

Students who don't regularly attend classes are at greater risk to underachieve or drop out completely. To help them persevere, we will reach out with compassionate support and motivational guidance.
