

# Telephone Answering Service

Save time & money

## Large business? Small Business? Start-up?

If you're looking for an answering service, you need a provider with the resources and flexibility to fit *your* needs, regardless of scope or budget. So, if you need support now, we'll scale up quickly to get you up and running in days – *not weeks*.

## Why AnswerNet?

### Scalable Solutions

No two businesses are the same. That's why we offer specialty services scaled to all businesses – from small start-ups to large enterprises.

### Industry Experience

With over 10,000 clients and highly trained specialty division agents, you can feel confident we have experience in your industry niche.

### 24/7 Availability

Whether you need weekend, around-the-clock coverage – or just want agents local to your time zone – we're here for you 24/7/365.

### Omni-channel Solutions

There's no *one-size-fits-all* way to talk to your customers. That's why we offer 2-way SMS text, email, live & automated calls, live chat & more.

### Multilingual Support

We strive to ensure all callers feel at home. That's why we interpret over 250 languages and employ agents who are fluent in Spanish & French.

### Client Portal

Our portal gives you easy access to your on-call and staff lists *in real-time*. View messages, reports, & recordings for full campaign visibility.

## More features:

A variety of features to choose from based on your needs.

- Customized messaging & scripts
- API integrations for smooth connections
- Tools & resources for hard-of-hearing & blind callers
- Toll-free numbers available
- In-house fulfillment services
- PCI-DSS compliant

## Your benefits:

Services can be tailored for any business – big or small.

- Save time & money on staffing & equipment
- Added flexibility with our month-to-month options
- Secure backup & storage for uninterrupted service and added peace of mind
- Agents are local to your business, but backed by a national network
