

Run your business *your way* with our new add-on service...

## 2-Way Video TPV

2-Way Video TPV (Third-Party Verification) is a secure, cloud-based, advanced authentication method from AnswerNet TPV. It simultaneously video records both sides of your sales interactions to validate & confirm important transactions to provide an additional layer of security – preventing fraud and ensuring the integrity of the verification process.

### Features:

-  Secure, cloud-based solution
-  Recordings stored in AWS
-  Prevents GPS spoofing
-  TPV transcripts available
-  24/7 video availability

### How you benefit:

-  New & innovative way to do TPV
-  Added layer of fraud protection
-  Helps with ghost-badging
