Third-Party Verification

Let us show you how
much easier verification
can be!

How you benefit:

- Cloud-based for full secure backup and redundancy
- PCI & SOC 2 compliance
- The most knowledgeable and experienced team in the industry
- The combined power of 4 Top industry providers
- Customization for your needs
- Live agent, digital, and IVR
- Easy-to-use, self-service portal

Self-Service Portal

Our all-inclusive, cloud-based (SaaS) data powerhouse is the only TPV platform that offers ALL these features:

- Secure platform
- Data redundancy
- Fraud prevention
- Highly detailed customer data
- Real-time reports
- Data visualization
- Self-service
- Disruption prevention
- GPS capabilities

The critical step of providing third-party verification service can be met and exceeded with our expertise.

AnswerNet TPV is proud to have verified over 116 million consumers, and we want to continue to grow this number by becoming your TPV provider.

Our robust portal will help improve your enrollment quality, enhance the customer experience, and streamline the verification process – all while staying SOC 2-compliant.

At AnswerNet TPV, our difference comes from our experience, agility, and security. It also comes from the dedication of our talented verification experts.
