

# answerNet

## Third-Party Verification

Run your business *your way* with our new IVR Enhancement...

## EZ IVR

### *Self-Service Script Editor*

**EZ IVR** is a simple, secure cloud-based IVR script configuration wizard from AnswerNet TPV. Now you can edit your TPV IVR voice scripts using our intuitive, self-service configuration form. This powerful enhancement enables you to make immediate tweaks and material changes to firm up legal language or to reduce friction in the IVR verification process.

#### Features:

-  Intuitive configuration wizard
-  Secure, cloud-based solution
-  Cost efficient
-  Transcripts/recordings stored in AWS
